One of the members of the public raised the subjects of the pond and the lack of grass cutting around the village by ERYC. The Clerk explained that ERYC had incorrectly suspended grass cutting across the whole village when only the cost of cutting the Village Green had been queried, as the 2025 invoice was significantly higher than previous years. The member of the public advised that he may be able to provide the same level of grass cutting service at a lower cost, and that he may also be able to assist with improving water quality in the pond.

**ACTION:** Clerk to obtain full details of the contract with ERYC and report back at the June Meeting.

A second member of the public raised the subject of road safety. Members expressed their concern at the number of recent incidents on local roads, and the update from Ward Cllr West at the June Meeting is keenly awaited.
