Initials:

2026.42 **Village Green Grass Cutting**

To receive updates on the cutting of grass on the Village Green by ERYC and to consider whether to move to an alternative contractor.

The Clerk had obtained copy invoices from ERYC for the years 2023-24 and 2024-25, and updated Members on the costs between 2023 and the present time. ERYC had advised that the cost for 2026 is expected to be £1,719.90 plus VAT (£2,063.88 including VAT).

In 2025, ERYC had stated;

"However, in the future we will not charge according to the number of cuts. The fee for 2025 will be a fixed fee of £1,653.75 (plus VAT). This will be the cost for providing approximately 8 cuts during the season".

"As previously stated, our grass mowing teams are scheduled to carry out cuts once every 15 working days which equates to a 3-weekly cut. Therefore during the 26-week cutting season we would look to achieve 8 cuts, however, changing weather conditions don't always make this possible".

The Clerk noted that the change from "per cut" to "per season" had made the notional cost for each cut significantly higher than it had been in the two previous years.

RESOLVED: Cllr Hemesley proposed a change from having the Village Green maintained by ERYC to using a local contractor who has been able to offer a better price. Seconded by Cllr Morrish. All in favour.

ACTION: Clerk to contract ERYC and request to leave the existing arrangement as soon as possible. Clerk to also request the withdrawal of the charge for the cut of the Village Green made on 18th May due to a number of errors on the part of ERYC.

2026.43 **Parish Matters**

(a) *To receive an update on the application to the "Do It For East Yorkshire" grant scheme*

A grant application is being drafted for improvements to the village pond. As a first step, the pond will need to be cleaned, and these works will be included within the grant application although it is unclear whether or not they meet the grant criteria. If they fall outside the grant criteria, the clearing will need to be undertaken quickly in order to meet the grant deadline for completing the other improvements, which include the installation of aeration equipment and the addition of new plants to improve water quality

RESOLVED: an Agreement in Principle was established that if the pond cleaning falls outside of the grant criteria the cleaning works would be funded by the Parish Council from its reserves, subject to the required quotations being obtained.

ACTION: "Do It For East Yorkshire" grant application to be completed and submitted.

(b) *To receive an update on the Community Speed Watch scheme*

- two Councillors have completed the online training
- five people have volunteered for the scheme, including the two Councillors
- support is also being provided by the Wetwang Community Speed Watch Group
- five sites have been selected in consultation with the Community Speed Watch representative from Humberside Police
- Cllr Pearson will be the Co-ordinator for the Fridaythorpe Group
- three people are needed for each Speed Watch session, which can be arranged online
- initial sessions will be organised, with a view to being fully up and running ahead of the National Day of Action for Community Speed Watch on Wednesday 15th July

Initials:

2026.44 Date of next Meeting

- (a) **RESOLVED:** The next Ordinary Meeting will be held on **Thursday 9th July 2026** at **7:00pm** in **the offices of Cranswick PLC** on **Thixendale Road, Fridaythorpe**
- (b) *To note any items for inclusion on the Agenda for the July Meeting*
ACTION: Clerk to receive items for inclusion and add them to the Agenda
- "Do It For East Yorkshire" grant application
 - Community Speed Watch updates

The Meeting closed at 8:30pm.

Signed to confirm that the above Minutes are a true and accurate record of the Meeting:

Date: Thursday 9th July 2026

Cllr Alison Hemesley, Chair of Fridaythorpe Parish Council
